

Copeland-Cox Tennis Center

Mobile, Alabama

Page 1

Copeland-Cox Tennis Center in Mobile, Alabama became the world's largest public hard court tennis facility (60 courts) after completion of Phase I of Global's Master Plan in June, 2007. Our four phase Master Plan and tennis specific Construction Documents guide the modernization of this 43-year old facility enabling continued high standards of service for over 50 tournaments annually, including the USTA Southern Section National Championships (+2,500 participants) - the largest public tennis tournament in the USA.

At their 2008 International Tennis Symposium, the Professional Tennis Registry, the largest global organization of tennis teaching professionals, conveyed their prestigious international Public Facility of the Year award to Copeland-Cox Tennis Center.
