## Palm Coast, Florida

The Palm Coast Tennis Center, Palm Coast, Florida is a new facility designed and built on a Design-Build Agreement for the City of Palm Coast by Global Sports and Tennis Design Group, llc and Welch Tennis Courts, Inc. Phase I, which began January, 2006, was completed November, 2007 and provides the "Friends of Tennis - Palm Coast, Florida" with 10 sub-surface irrigated HydroGrid HarTru courts, parking, and support facilities. Future plans include an expansion to twenty courts, an exhibition court, and a tennis clubhouse.
