

Sunrise Tennis Club Park

Sunrise, Florida

Sunrise Tennis Club Park is the former Welleby Tennis Center which has been completely redesigned and reconstructed to provide the members with a modern tennis facility utilizing the latest technology in tennis court design and construction.

The club features a clubhouse/pro shop, a clubhouse exhibition court, ten subsurface irrigated HydroCourt fast dry courts, six Pro-DecoTurf courts - the "Surface of Champions", and player amenities including shade shelters for every court, restroom facilities, and a member parking area.

The club also features a tournament area where major tennis tournaments may be scheduled.
