

# Palmilla Tennis Club

At Villas de Oro  
Los Cabos, Mexico

The Palmilla Tennis Club has been designed and constructed to satisfy the high standards and expectations for a luxury 5-star resort property. The Club features four cushioned hard courts and 2 subsurface irrigated HarTru courts as well as future natural grass courts. The Club also features a covered spectator seating area overlooking a clubhouse court which is designed to satisfy the requirements for an international tennis tournament. All courts are lighted with an environmentally designed lighting system to minimize light pollution. Player amenities have been designed for play commensurate with the resort environment.

The areas surrounding the courts have been landscaped with floral colors to enhance the player and spectator experience.

The BAJA TRAVELER magazine has awarded the Palmilla Tennis Club the BEST TENNIS CLUB in BAJA in their Reader's Choice Awards for 2008.
